REACHING THE UNREACHED

Dear Friends,

Greetings! You are being invited on a mission adventure that will change your life. Does that sound like a bold statement? Well, relax. We have it on good authority that this trip has been commissioned by the highest authority in the land (or any other land for that matter): the King of Kings. Over two thousand years ago, He commissioned every believer of every race and every generation throughout all time until He returns, to be about our Father's business of making disciples of all nations. Now it is your turn and your time.

Please notice that you have several options to choose from. The entire trip is a little over three weeks, but you may choose to come for only one week. Each week has a different purpose, as well. In Nigeria and Ghana, the main emphasis will be on doing discipleship and mission mobilization training with national pastors and missionaries. In Togo we will be doing some training, but also visiting the African missionaries that different AOF cell groups support. As soon as we receive your completed trip application form, participation form, and application fee, we will take care of setting up all the other arrangements for you. ***The only part of the trip you will be responsible for planning will be your travel arrangements in getting from your home to Hartsfield International Airport in Atlanta.*** You must plan to arrive in Atlanta in enough time to catch your connecting flight out of the country. Remember that check-in time for an international flight is at least three hours before scheduled departure, so please book your flight to and from Atlanta to allow enough time for this. You will also be responsible for arranging your return flight from Hartsfield airport to your home when you return.

Please understand that this is a **mission** trip. It is not a vacation or a leisure trip. You will be working very hard, and the accommodations may not be what you are used to at home. We ask you to accept whatever conditions confront you with grace, good humor and the love of Jesus. Your coming will be such a blessing to those to whom you minister. These brothers and sisters work in extremely difficult conditions and having a visit from Americans does so much to lift their burden and ease their sense of isolation. Just your presence reminds them that God has not forgotten their labor of love, and they are not alone.

As soon as we receive your application forms, along with the \$200.00/per person application fee, we will send you a more personalized package that will cover your part of the trip. It will include suggested items to take with you, some useful French phrases if your destination is Togo, general information about the country, suggestions on appropriate attire for both men and women, and some cultural do's and don'ts. You will also receive a projected ground itinerary, and what you will be doing each day.

You will need two passport size photos which may be obtained at Wal-Mart or Photo Passport shop next to Whitman's Pharmacy on Frasier St. for those in the Hinesville, GA area. It often takes two months to receive passports.] Also, if you have not completed the Mission Mandate Training, please contact Patricia O'Nery at 912-877-3020 for information. This is a mandatory training to participate in any AOF mission trip.

June 1st: \$200.00 Non-Refundable Application fee

This application fee covers our costs in setting the trip up for you (mailings, calls to West Africa, and many other logistical necessities.) We incur these expenses even if you decide later not to go

July 1st: Ticket price of trip of your choice AIR FARE (PER PERSON)

Make appointment with your healthcare provider to receive all shots and malaria prophylaxis

Sept 1st: West Africa Orientation: This is a mandatory meeting for all trip participants. At this time, we will fill out our visa forms together. You will need to be prepared for that meeting with your blank visa forms (which will be provided in your information packet after we receive your completed application and fee), two passport size photos for each country you are going to, your passport, and your money orders for your visa(s). After we have received your application and registration fee, we will let you know how much you will need for the visas for your particular trip. PLEASE DO NOT ATTEMPT TO FILL OUT THESE FORMS ALONE. Because so many countries are involved, this process can be confusing. If they are not done correctly it can delay the process or even mean you would not be able to go.

Please Note:

The costs listed in this letter *do not* include the following:

Passport

Visas

Immunizations

Air or ground fare to Atlanta

Souvenirs or personal items

The above fees must be received in the AOF office by the stated dates. Checks should be made payable to AOF Missions, Inc.
